Licensed & Bonded Outfitter

We are an Equal Opportunity recreation service provider and employer.

We operate under permits granted by the Wallowa-Whitman National Forest.

Wilderness Horse Camp

Youth Summer Camp specializing in Western Trail Riding. Trail Riding in the Wilderness where you'll ride along rivers, through forests and around mountain lakes.

Besides horseback riding you'll learn crafts, campfire cooking and Leave No Trace wilderness principles. You will make friends from all around the world, friendships that will last a lifetime. Depending on the time of year, you might help with a cattle drive, a horse round-up or go to a rodeo.

What Your Summer Dreams Are All About

Located in the Beautiful Wallowa Mountains of Eastern Oregon

Western Trail Riding Summer Camp for girls 12 to 17 yrs. old.

Wilderness Horse Camp

Wilderness Horse Camp

Horse Camp is a youth summer resident horseback riding camp. You will receive instruction on trail riding, ride the high mountains, play in creeks and learn how to live as they did in the old west. You'll sleep in tents, eat hearty western food and ride your horse all day, everyday. The camp starts on Sunday and ends on Saturday. 12 to 16 years old.

Saddle Club

Saddle Club has more instruction for those who haven't ridden a lot. Most days will be a half day of instruction and trail rides in the afternoon. You will learn how to take care of your horse and tack. The camp starts on Sunday and ends on Saturday. 10 yrs and up.

Trail Riding at its Best

Mother / Daughter Weekend

A three day Wilderness horse trip where you spend two nights in tents, high in the mountains.

Mother / Daughter trips can be added onto Horse Camp where Mom rides with her daughter before Horse-Camp.

Transportation available, call us for details

The Ultimate Western Wilderness Adventure

for horse riders 13 to 16 years old offers western riding with a two week journey through Oregon's spectacular Eagle Cap Wilderness. We ride through forests, across alpine meadows, around lakes, and beneath rugged granite peaks. Along the trail you'll make lots of new two-and four-legged friends you'll never forget in the adventure of a lifetime.
